We got it!

A parking lot without bird baths. With climate change you may still need rain shoes, but not hip waders.

Thanks to your generosity we are able to make some most needed changes for the better.

The Club Heartbeat

I had the genuine honor of sponsoring Tyler B. for close to a year, and he died with more than a year of sobriety. Sadly Tyler damaged himself too much with drugs and alcohol prior to his hard-earned sobriety. The pleasure was mine. ~ Tony Baron

On April 24th 1975, Geana T. came into the world. She entered into the world of A.A. four years ago and became a devoted trusted servant. Always smiling laughing and happy. She left us clean and sober on May 30th to join the rest of our family in the big meeting in the sky. She will hold a special place in all our hearts. ~ Belinda

We paid our respects to a great friend and brother, Nick T., this week. His smile lit up every room and he was always willing to be of service, had something positive to say, and just showed how big a heart he had every time he reached out to those in need. Despite his own issues, he never hesitated to profess his love of God. Nick will be missed by many and forgotten by none. Gone too soon, you will always be remembered as "OUR NICK" ~ John Silva

“All paths to recovery are welcome!”

This month, [Many Paths One Destination \(MPOD\)](http://www.manypathsonedestination.org), a local Non-profit often referred to as the “United Nations of Recovery” has been approved by the Alano Club San Jose Board to begin to integrate alternative recovery support groups to expand the reach and impact of the club on the recovery community.

The Alano Club will be hosting a Monday evening weekly meeting of LifeRing, a secular support group for recovery focused on the choices we can make everyday to choose abstinence from alcohol and other drugs.

In addition, SMART recovery will offer a Thursday weekly group, an additional secular group grounded in CBT, or cognitive-behavioral therapy strategies to change our thinking, which changes our feelings and then leads to changed behavior.

Twelve Step members are more than welcome, and it is the *Many Paths One Destination* dream that The Alano Club will expand to become a drop in destination for people from all recovery backgrounds who want a safe and sober community.
