## History

More About our History

## From the Mind of Management >>>

Many thanks to all the kind souls that have had successful activities here at our Club. You needn't be a King or a Queen, Board Member or Member to suggest an activity that would be good for our members. (Dear Bill, free tacos are not something I would entertain.)

*"People never stand so tall as when they stoop to help each other. We are here to see each other through, not to see through each other. I should have only what I give away and capture only what I surrender."*
