Aren't Computers Wonderful? I sure have some feelings about them!

From The Alano Times, Dublin, Ireland, March 93

What Did You Do Today?

So you've been around for quite a while, helping to spread AA. You've worked like hell since you first came in but what did you do today?

I heard your pitch, it was kind of long, you really told them how, you worked the steps in '56 but how are you working them now?

Do you still get up from your soft warm bed when someone is in trouble?

Do you grab your hat and your AA book and get there on the double?

Or have you forgotten the early times when you were sort of new. Maybe you've been around so long that AA is old hat to you.

Maybe you're one of the Senior Saints, sober and satisfied, and you've forgotten when you were sick and when you damn near died?

Maybe I shouldn't bring it up, maybe you're too blase. But just for the hell of it Mister what did you do today?

Have you been around so cock-eyed long you leave it to Harry or Sam. Cause you're not your brother's keeper and you just don't give a damn?

Maybe tonight the fights are on you're going to the old ball game. So what the hell if the guy is sick he has only himself to blame.

Well, Mister, you have a perfect right to work your own AA and you know you'll do it your way no matter what I say. But tonight before you go to bed just look in the glass and pray that you and the Lord know the answer to WHAT DID YOU DO TODAY?

What is the Alano Club

The Alano Club is a non-profit corporation whose major purposes are:

- 1. To promote good fellowship among persons who honeltly desire to overcome adictions.*
- 2. .To cooperate with the ideals and purposes of Alcoholics Anonymous.*
- 3. To provide Clubroom facilities for members and their guests.*
- 4. To provide for social activities and furnish entertainment for members, their families and their guests.*
- 5. Our A.A. Program cannot grow without new members and neither can our Alano Club. If you are like me, joining the Alano Club is more an expression of gratitude, rather than a decision based on "how much can I get for my \$10 per month."*
