## **The April Shower Addition 1994**

-----  
**Our Outdoor Ballroom Floor has been completed. This was done by contributions from our membership and was not taken out of our slim general funds. Many thanks to Juan A and his cement fairies!**  
-----

-----  
**Many Thanks to The Laborers' Union Local #270 for their donation of \$200, and Owens-Corning for their donation of \$250. These donations make it just a little easier for us to get caught up. The downside of this is that when we went Non-Smoking a lot of you folks went somewhere else. So come back! Thanks.....**

### **What Matters**

**One hundred years from now, It will not matter what kind of car I drove, what kind of house I lived in, how much I had in my bank account, nor what my clothes looked like.**

**But the world may be better because I was important in the life of a child.**
