Thank You

The Alano Club was able to make it through the month of June and with the direct help of the Board of Directors and their efforts to keep the payroll down we were able to manage a very bad month with a loss of \$315. We are most grateful for all of the help that we have been given since we went to a non-smoking establishment. Our gross revenues have been down by as much as a \$1,000 a week. Or for those of you that want a percentage, our gross revenues have been down by 30% since February. Many of the Board Members have been donating a night a week for our survival. So, Give a Board Member a Hug!

The Labor Day Soberfest:

We will be having meetings on an Alkathon basis for the holiday weekend and we will have the schedules available here at the Club or at Central Office. In celebration of this event we would like to offer for your holiday pleasure a BBQ, and to be a little different from our past we would like to give you a little bit more and charge you a little bit more. Chicken and ribs, salad, Spanish rice, beans, french bread and other great things. Tickets now on sale for Saturday, September 3rd, We will start about noon and finish when we finish, ribs will be on a first come first serve basis. \$5. and \$6 for members and future members. Our Board has the tickets. And Disco Jerry for the a Saturday Night Dance.
