Thanks for making it work, we can continue to help the takers too! Good for all.

Forgiveness is very important. It's not the people that I'm busy hating that are suffering-it's usually the people areound me who take the punishment.

Congratulations are in order for Our membership Celebrating a Milestone in Recovery:

Please. A Precious Gift ! Treat it as such.

First we work the program because we have to. Then we work the program because we are willing to. Finally we work the program because we want to.

Member of the Month:

The Board has elected Steve Hunt for his efforts in creating a new data base program for our Club Membership.

Dorothy F., Rick N. And Steve S. Were an enormous help during our Club elections. "The process came off as smooth as silk", was a comment overheard by one spectator in the crowd. So we want to say thank you and commission you to get started on the 1196/1997 elections. Times a wasting!

Sitting in Twelve Step meetings doesn't make you a member anymore that sitting in a chicken coop makes you a chicken. Grab the whole package and get on with it!
