A Community Asset

Volume 45.10

As active substance abusers we were always looking for a handout in one way or another. Part of our personal recovery came in making ourselves into financially responsible human beings. I would like to thank you for your help and support of this Club, and Twelve Step Programs in general.

November 5th election needs workers...It seems that the Registrar of Voters offices is always recruiting new Inspectors and Clerks for elections. The election on November 5th will be no different. If you know of a person who is a citizen of the United States and a resident of Santa Clara County, and who is 18 years old or older and who might be interested in serving as an election officer, please have them call the register of Voters office at 299-2694
