### **Write Calendar, Wrong Month!**

*Those of you that are somewhat observant pointed out to me that the November Calendar had an October Heading on it. Thank you because I often think that I don't make mistakes. This are one of lifes little reminders that I'm wrong.*

### **Attention Golfers and Special Folks!**

*Please be so kind as to mark your calendars for June 21, A Saturday this year and we will have a most wonderful Alano Club Golf Classic. Moffett Field has again afforded us the privilege of playing at their course. We are again able to keep the entry fee down to \$50 and sponsorship at \$50 again. If you are a golfer you know what a great deal that is for a fund-raiser.*

### **Contributions**

*The holidays are a time for reflection and planning. Consider charitable giving as part of your program. It is a good habit and helps support your Alano Club. A contributions made this year could reduce your 1996 taxes, or perhaps a pledge of money, goods or services for next year. Your services are not deductible but money spent out of pocket is. Remember to ask for a receipt. Canceled checks are not valid documentation for audit purposes.*

*If you are having your will or living trust prepared, consider a gift to your Alano Club. Transfer taxes are high. Charitable bequests help to substantially reduce them. If you have any specific questions call me. Chuck Mollett. 408-866-5950*

### **Some New Changes. At Last A Family Rate**

*The Board Members have set a new policy as far as couples and couple membership goes. It works out to two people being in a committed relationship and living at the same address can get membership dues for an equivalent of 75% of the two regular memberships.*
