if You Notice The Bottom of the Page on the Address Portion of your Monthly Newsletter ? It will provide you with some very important information. It keeps a running tab of the status of your Club Membership. The Newsletter is sent to the printers about a week before you get it so if you have paid your dues in the last week it probably won't show on the address page.

Remember Me?

*My name is Gossip. I have no respect for justice.
I maim without killing, I break hearts and ruin lives.
I am cunning and malicious and gather strength with age.
The more I am quoted, the more I am believed.
I flourish at every level of society.
My victims are helpless. They cannot protect themselves against me because I have no name and no face.
To track me down is impossible. The harder you try the more elusive I become.
I am nobody's friend.
Once I tarnish a reputation, it is never quite the same.
I topple governments and wreck marriages.
I ruin careers, cause sleepless nights, heartache and indigestion.
I spawn suspicion and generate grief.
I make innocent people cry in their pillows.
Even my name hisses. I am called Gossip.*

Office Gossip. Shop Gossip. Party Gossip. I make headlines and headaches. Before you repeat a story, ask yourself. Is it true? Is it fair? Is it necessary? If not, shut up.

**The moral of this story is: If you don't have anything good to say about someone, don't say it! Anonymous
These Great and Wonderful People will be celebrating a Milestone In Recovery In June**
