Many people will walk in and out of your life, but only true friends will leave footprints in your heart. To handle yourself, use your head; To handle others, use your heart. Anger is only one letter short of danger. If someone betrays you once, it's his fault; if he betrays you twice, it's your fault. Great minds discuss events; Small minds discuss people. God gives every bird it's food, But He does not throw it into it's nest. He who loses money, loses much; He who loses a friend, loses more; He who loses faith, loses all. Beautiful young people are acts of nature, But beautiful old people are works of art. Learn from the mistakes of others. You can't live long enough to make them all yourself. The tongue weighs practically nothing, But so few people can hold it.
