### We Missed The Dead Line:

We have a cub reporter that should have reported Joann Genuso and Steve Swortword as members of the month for August. We have kept this reporter on staff but have issued him a stern warning about the importance of deadlines and job security. Joann has been helping John Mack on the clean up and Steve has been a big help on our Bar-B-Ques for a long time now!

The Board would also like to welcome John Barker as our September Member of the Month for his help behind the counter and as the guy that goes to get the bread every week for our free bread give away program. And I'm sure that they all would have agreed if we had enough board members present to hold a meeting!

## **The Five Stages of Drunkenness:**

Stage 1—**SMART** This is when you suddenly become an expert on every subject in the known universe. You know you know everything and want to pass on your knowledge to anyone who will listen. At this stage you are always RIGHT. And of course the person you are talking to is very WRONG. This makes for an interesting argument when both parties are SMART.

Stage 2—**GOOD LOOKING** This is when you realize that you are the best looking person in the entire bar and that people fancy you. You can go up top a perfect stranger knowing they fancy you and really want to talk to you. Bear in mind that you are still SMART, so you can talk to this person about any subject under the sun.

Stage 3—**RICH** This is when you suddenly become the richest person in the world. You can buy drinks for the entire bar because you have an armored truck full of money parked behind the bar. You can also make bets at this stage, because of course, you are still SMART, so naturally you win all your bets. It doesn't matter how much you bet 'cos you are RICH. You will also buy drinks for everyone that you fancy, because now you are the BEST LOOKING person in the world.

Stage 4—**BULLET PROOF** You are now ready to pick fights with anyone and everyone especially those with whom you have been betting or arguing. This is because nothing can hurt you. At this point you can also go up to the partners of the people who you fancy and challenge to a battle of wits or money. You have no fear of losing these battles because you are SMART, you are RICH and hell, and you're BETTER LOOKING than they are anyway!

Stage 5 – **INVISIBLE** This is the Final Stage of Drunkenness. At this point you can do anything because NO ONE CAN SEE YOU. You dance on a table to impress the people who you fancy because the rest of the people in the room cannot see you. You can walk through the street singing at the top of your lungs because no one can see or hear you and because you're still SMART and you know all the words.

## **Our Annual Heritage Dinner**

Mark your calendars for Saturday, October 16<sup>th</sup> as a really good event. We will have our Club Anniversary Dinner and this event is always a good one by the folks that we attract. This is also Boss's Day so those of you that have a boss, buy him a ticket also. Tickets are \$15 and we have a couple rates of \$30. Tickets are now on sale and your friendly local board members have tickets for this event. If for some reason you can't make it this year, get a ticket anyway!
