Happenings on and in our Board of Directors

Mike Austin had resigned his position on the Board effective in September. He will be greatly missed. The Board now must replace Mike by electing a new Board Member. Are you interested in the position? Be at the Board Meeting on Thursday, October 21st at 7:30 p.m. Requirements are steady attendance in a 12 Step Program for over a year. Paid membership in this Club for the past two months. Accountability to this Club and its membership!

The Board must select a mission statement for our Club at the next board meeting, they are studying the choices through this month and asked that you be shown the entries, they would appreciate your input as they have a decision that must be made:

1. To carry on, as a non-profit service corporation, activities auxiliary to and supplemental to the twelve step movement and to provide fellowship, education, and spiritual support to all persons in recovery. To enhance the quality of life of all individuals and their families who are undergoing twelve-step recovery.
2. Our mission is to provide a comprehensive group of quality services, which will enhance our member's quality of life and empower them to reach their maximum potential.
3. To enhance the quality of life for individuals and their families through the principals of the twelve steps of recovery.
4. To help others to help themselves through the twelve steps of recovery.
5. Individual empowerment through the twelve steps.
6. Freedom for all in recovery.

At our September Board Meeting Tom Graham was elected as Vice-President and Carolyn Schaupp was elected as our Secretary. See Carolyn ten days in advance of our October Board meeting in you have an item that needs to be on our agenda.

The Board is proud to announce that **Sherri Goodnight** is our **Member of the Month**. She was elected for taking the time and having the expertise to perform routine maintenance on all of our cooling equipment. Sherri worked at our club for a number of years before going onto a position in heating and air-conditioning. She has been a big help to us over the years and also in the month of September 1999.

These Great and Wonderful Club Members will be celebrating a Milestone Soon!

Richard Brinkley gets about two pre-approved credit card applications a month. Don't be too flattered if you get one or two also. Richard has been dead for a couple of years now! These companies are predators and would enjoy owning about 15% of you income. Please don't fall prey to these rascals. On the average they have it set up so if you pay the minimum each month your debt will last 10 years. If you must use plastic, pay it off in its entirety each month. Just an opinion from a guy that thinks he cares about you and perhaps knows a bit about the subject.
