Member of the Month:

This month the board would like to show a bit of gratitude to Dorothy Frost for her help in so many areas over quite a few years now. Dorothy has been there for many folks that have things to do around the Club and need a little help doing it. So for the many hats you have worn Dorothy, we now afford you the member of the month hat of love and service.

Thanks to all of you that filled out the member survey and as a result we will now be able to use that information to help put together our agenda for the Club Membership meeting on Sunday June 11th at 2:00 p.m. This meeting will be followed by a lunch or a dinner here at the club, and depending on what you may call a little bite to eat in the afternoon of a given Sunday we think that we can make it worth your while. We are sure that a meeting needs to be called and we need a little direction from those that we work for, the membership of The Alano Club.

Board Member - Manny Tomaz

Manny has gotten a big promotion at the big company that he works for and as a result of them expecting him to earn his pay he has to resign from the Board. Many thanks, from all of us including the current manager, especially for all the help that you have been with the Golf Classic and other projects around our Club. We all wish you a catapulting career, and a new dimension-landing zone. We now have an opening to be filled at our Board Meeting in June.
