This month's "Member of the Month", goes out to a person that's done a lot of work at the Club, on the activities for the Martin Luther King Event, she seemed to never get tired of helping out, and for all the extra work she put in at the Alano Club we would like to say Thank You to this very special person. # Words of encouragement

### Sent in by a Member of the Alano Club

In December I had the opportunity to visit some other clubs in the Bay Area. I set out initially to learn ways in which we as a Club could better serve our members. What I came away with was an entirely different lesson.

The first club we stopped at was a tiny storefront club with a small comfortable social sitting area, 2 meeting rooms, and a coffee only bar. Membership dues there were \$30.00 a month. Prices for coffee and books were the same for members and non-members alike. Other than a newsletter there were no apparent "perks" to. being a member, yet membership has kept this club open for over 18 years. The second club was just a large meeting room with lots of meetings all day long. Membership was encouraged to keep the doors open. I didn't have the opportunity to see the third club we stopped at, because after 40+years, that club had to close it's doors due to lack of funds. The last club we went to had just re-opened and the manager told me that they had great plans for the club, but they were struggling to build their membership.

The lesson I took away from all this was that membership is the key to the survival of our Club. I'm asked all the time, "What do I get for my Membership?" Not once has anyone ever asked me, "What does my Membership do for the Club?" And isn't that the question we who have benefited from all this Club has to offer should be asking. Many have gotten sober here, but more importantly, many more have stayed sober here.

The Members who came before us understood, the importance of paying their dues so that the Club would be here for us. I for one can't think of a better way to say thank-you, than paying my dues to ensure that the doors stay open for those who may need this Club in the future.

### **Qub Activities 2004**

We have many fun and fund raising activities planned for this year, but the Board of Directors can not do it alone. We need the help of the Membership to make these things successful and profitable. Your Dues, the Snack Bar, Meeting Rent and Fund Raisers keep the Qub open, but our 1920's sewer line is collapsing and we do not have the money to replace it. You Can Help, by pledging money to replace it. You can help by pledging to the "We Care Fund", or Coordinating or working on the committee of one of the Fund Raisers, or even coming up with a few new ones. We need help with Yard Sales, Car Washes, Recruiting New Members. If you can help Keep The Doors Open,
