In Memory

It is with great sadness that I learned of the death of Anthony Leone, my dear friend and sponsee.

Anthony was a long time supporter and member of the Alano Club.

On behalf of the Alano Club recovery community, we wish to extend our deepest sympathy to his beloved mother and the entire Leone family.

The Grief Process

A meditation from the book: "The Language of Letting Go" by Melody Beattie

Today, God, help me open myself to the process of grieving my losses. Help me allow myself to flow through the grief process, accepting all the stages so I might achieve peace and acceptance in my life. Help me learn to be gentle with myself and others while we go through this very human process of healing.
