### I

Faith is not merely a verbal profession. It is a conviction prompted by the love that God is able to infuse in your life that God is at work in your life. The selfishness and pride have been replaced by kindness, a caring heart.

### Hope

1. *Hope climbs over obstacles when no one is helping.*
2. *Hope endures hardship when no one is caring.*
3. *Hope smiles confidently when no one is laughing.*
4. *Hope reaches for answers when no one is asking.*
5. *Hope presses toward victory when no one is encouraging.*
6. *Hope brings the victory when no one is winning.*
