**Editors Note:** Although our last newsletter was taken to the U S Post Office on January 29, 2008 , my guess is that it was not a high priority for them because most of our members did not receive their newsletter until February 7, 2008. My apologies on behalf of the U S Mail.

**Members of the Club we need your help– Our activities committee needs people willing to volunteer their time to make the events here at the Club successful . Please be part of the solution and contact Laura Martin and get involved!**
