**In November 2003 The Mid-Peninsula Alano Club re-opened Its doors in Sunnyvale. Early this year they relocated to Mountain View. I'm saddened to report that they have had to close their doors for good in late July.**

**We are losing valuable resources for alcoholics & addicts every time a club closes.**

**Membership is the key to keeping our doors open. Those of you receiving this Newsletter seem to have grasped that concept, however the ratio of Members of the Club to those that “just” come to meetings here is grossly disproportionate. As Members please try to pass this information onto those you know who use our Club but have yet to become Members. Thank you for being part of the solution!**
