Member of the Month – John G

A huge thank you goes to John G. for utilizing many of his IT talents here at the club! As our IT Manager of the club through his volunteer services, John spends many hours developing and maintaining the club's technology. His most recent and noticeable project has been the release of electronic flyers and communications – as you enter the lobby, all of the latest activities, meetings, and information is now provided to you on a large screen. This is only the beginning!

Thank you, John, for your continued time, talent, and ongoing enthusiasm as a valued member of the Alano Club of San Jose!

New To Recovery? Welcome to the Alano Club of San Jose!

New to recovery? The Alano Club of San Jose is here for you – to provide a safe and supportive environment where you can find information, encouragement and fellowship, meetings, and recovery-related activities to support your 12-step recovery. No place to go? Stop by the Alano Club – we are here to fellowship, help you with difficult times, and just hang out and talk.

No money? We've all been there – just stop by the club. There is always a generous person in recovery that would love to buy you a cup of coffee, and stay to get to know others.

Need 12-step advice? Stop by – there is always someone at the club with years of sobriety as well as newcomers.

Not ready to talk with others yet? Well, some of us have been there, too. Stop by the club anyway. Just hang out, and we will understand. Don't isolate – just come by the club and hang out. It's a great place to hang out if you are new in recovery and uneasy about having too much time on your hands.

No, this is not a sales pitch for the club! This is our way of saying "We are here for you – to provide a safe and supportive environment, information, fellowship, a place to meet others, find a sponsor, and if you have nowhere else to go, stop by the Alano Club!
