The Alano Club is your Club. Our mission is to:

- Provide a safe & supportive environment where 12-step recovery can take place
- Provide information to help those new to recovery
- Provide encouragement through fellowship within a twelve-step community
- Provide a place where twelve step meetings can take place
- Provide a social setting for events and other recovery-related activities

We have been a community asset for over sixty-eight years.

Member of the Month – Harvey D

Harvey has been a great asset to the alano club. Since he has started his position as the live-in maintenance person so much has been able to be done. He's always ready and willing to hep with anything. He has helped Terisa and Kiki with so many projects to help better the alano club. We are so grateful to have him here as a part of our team. Thank You Harvey for all you do.

Alano Café will be open and serving food during our Hybrid meetings.

Space is limited during in door operations. We may move Back out doors to accommodate more people if the weather permits

Remembering a Kind and Giving Spirit

Susan Salmon

Sue died on Mother's Day this year, some of you knew her some of you didn't, she was my good friend for many years, but of more importance she was a good friend to the Alano Club for as many. Her husband Ralph was a member of the Board of Directors, as was Sue. They both had great business acumen and were owners of The Chapel of Flowers. That's the place we send our friends that don't have enough money for a burial of a loved one.

Sue gave us many, many donations over the years. Personally, I loved her cookies the best. She helped keep us going through some very lean years. But that is another story.

We had a sewer line of clay tile go bad after many, many years. It runs under the building of our neighbors, who by this time kind of hated us for using their property to park on. Pretty judgy!. No digging on their property was the final ruling that the laws came up with.

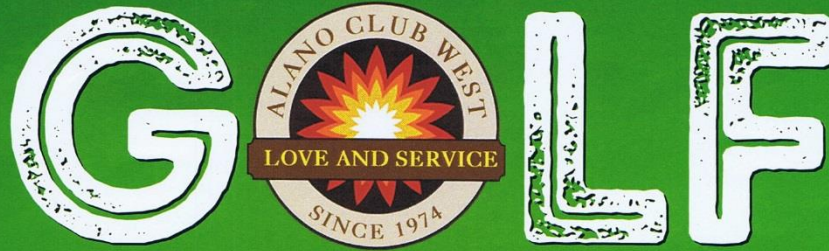

The city required us to take out a huge bond to dig up Fair Avenue and tie into the sewer line across the street. \$30 or 40k as I recall. Needless to say we were up a creek without a paddle. We had one option left, an epoxy process that would seal the pipe from inside out, 9K. No digging.

At that time we didn't have enough money for the paddle. And now for the quiz. Can you guess who donated all the money for the project?

Sue, thank you for all that you did, for all those that felt the warmth of your heart. We miss you a lot.

***With love,
Tony Baron***
